

Attachment 1 – Summary of Conditional Waiver Program Information

Table 1

Irrigated Acres (based on DWR, 2001, and staff estimates) and Enrolled Acres, by County

County	Irrigated Acres	Enrolled Acres	Approximate Percentage Enrolled
San Mateo (Region 3 portion)	600	2,656	-
Santa Cruz	18,300	11,843	65%
Santa Clara (Region 3 portion)	13,200	11,180	85%
San Benito	32,400	20,275	63%
Monterey	212,000	182,031	86%
San Luis Obispo	67,730	64,217	95%
Santa Barbara	93,490	64,859	70%
Ventura (Region 3 portion)	600	591	99%

Table 2

Total Region 3 Irrigated Acres (DWR, 2001) and Enrolled Acres

Region	Irrigated Acres	Enrolled Acres	Percentage Enrolled
Central Coast	438,320	380,338	87%

Table 3

Comparison of Tier 1 and Tier 2 Growers

Tier	Number of Enrollees	Percentage	Acres Represented	Percentage of Enrolled Acres
Tier 1 (Completed education and farm plan)	728	46%	300,520	79%
Tier 2	846	54%	79,817	21%

Table 4

Approved Agricultural Water Quality Education Courses (courses offered by UC Cooperative Extension, Resource Conservation Districts, Agricultural Coalition Coordinators, and other outreach partners)

Class/Workshop Type	Number of Classes Approved
Erosion control	36
Irrigation management	38
Nutrient management	38
Pesticide management	41
Spanish language	16
*Total Classes/Workshops	66

Table 5

Summary of Current Agricultural Grants

Grant Activity	Number of Grants Addressing the Activity
Outreach and education	14
Water quality monitoring	13
Erosion control	25
Irrigation management	7
Nutrient management	17
Pesticide management	10
*Total Agricultural Grants	50

*Many classes and grants cover multiple topics/activities, so totals will be less than the sum of all topics/activities
